

**Chevy Chase Village
Building Facilities Commission
Village Hall Use Survey, 2008**

In an attempt to better serve our community, the Building Facilities Commission (BFC) would greatly appreciate it if every Village household would complete the following survey. A similar survey was conducted five years ago and was very helpful to the BFC and the Village Staff. Your responses will be anonymous and please feel free to add additional comments.

Thank you for your participation!

Hall Rental

1.) Have you ever rented the Hall, or sponsored a rental of the Hall, for an event within the last three years?

a.) If yes, was your experience a positive one? Would you rent the Hall again for another event? What, if anything, would you change about the process (rental fees, policies, etc.)?

b.) If no, is there any specific reason you have not rented the Hall?

2.) Current Hall rental policy allows for Village residents to sponsor parties if it is an event they will be attending. Do you think this policy should continue as stated, be eliminated, or become more lenient?

3.) What, if anything, do you think could be done to make renting the Hall easier and more attractive to Village residents?

Classes in the Hall

1.) Have you or members of your family participated in any classes at the Hall within the last three years?

a.) If so, please list the class and instructor:

b.) How was your experience in that class?

c.) Do you or members of your family still take that class? If no, why did you stop taking the class?

2.) If you or members of your family have not participated in any classes at the Hall, why not?

- 3.) What kinds of classes would you like to see offered at the Hall?
- 4.) Current class sessions are priced as follows: Residents: \$100, Non-Residents: \$125, Senior Residents: \$90 and Senior Non-Residents: \$112.50. Do you think this pricing is high, low, or just about right?
- 5.) We have been exploring adding an adult bridge class to our schedule- would that be of interest to you?
- 6.) Do you or members of your family have any talent you would like to share with Village residents in a class-type setting? (Chess for kids or adults? Knitting? Flower arranging? Calligraphy? Photography?)
- 7.) What, if anything, would you recommend to make our class schedule more inviting to Village residents and families?

Events in the Hall

1.) Have you and/or your family attended any of the events at the Village Hall in the past year? (Holiday Party, Halloween Party, 4th of July Parade, New Resident Social)

a.) If yes, do you have any recommendations for improving these events?

b.) If no, why have you not attended these events?

Village Teen List

1.) Have you used the Village Teen list that is included in every edition of The Crier within the past year?

If yes, what did you hire the teen for? (babysitting, pet sitting, yard work)

2.) Are you subscribed to the Chevy Chase Village Listserve on Yahoo Groups?

a.) If yes, has it been helpful to you? How would you improve the listserve?

b.) If no, why have you not subscribed to it?
